## **Legenda di riferimento relativa al catalogo periodici cartacei**

La punteggiatura utilizzata, evidenziata in rosso, dà indicazioni sulla storia del periodico così come di seguito specificato:

- Vol. 1 (1968)- : la biblioteca possiede tutte le annate a partire dal 1968; il trattino finale indica che la rivista viene ancora pubblicata e l'abbonamento è attivo
- Vol. 1 (1968)- Vol. 7 (1975); : la biblioteca possiede le annate dal 1968 al 1975; il punto e virgola indica che la rivista continua ad essere pubblicata anche dopo il 1975, anche se la biblioteca non l'ha più acquistata;
- Vol. 1 (1969)-Vol. 20(1980). : la biblioteca possiede le annate dal 1969 al 1980; il punto finale indica che dal 1980 la rivista non è più pubblicata.

La presenza della dicitura **Lac.** (Lacuna) indica il/i volumi mancanti nella collezione.

Un periodico potrebbe avere cambiato titolo nel corso del tempo, essere il risultato della fusione di due periodici che prima erano pubblicati separatamente, o il risultato di un titolo che è stato diviso in più parti, etc. I cambiamenti titolo sono segnalati con un **Già / Poi**

La voce **Vedi** rimanda alla collocazione sullo scaffale della rivista che ha subito cambiamenti del titolo.

ISSN (International Standard Serial Number) è il numero internazionale che identifica i periodici, come quotidiani o riviste, a stampa o elettronici.

Si segnala altresì che i titoli non più acquistati in formato cartaceo, sono disponibili online se sottoscritti da ENEA.
